

Board/Staff Leadership for Social Change*

- ⇒ *Has your board achieved the right balance between oversight and management?*
- ⇒ *Does your board partner successfully with staff to raise funds for your organization?*
- ⇒ *Do you have the people you need around the board table to help your organization reach its goals?*
- ⇒ *Are your staff and board leaders collaborating to steer your nonprofit through these rocky times?*

THIS WORKSHOP WILL COVER KEY PRINCIPLES AND PRACTICAL TACTICS FOR ENCOURAGING A PRODUCTIVE BOARD/STAFF PARTNERSHIP IN COMMUNITY-BASED NONPROFITS. THE TRAINING WILL EMPHASIZE WORKABLE NEXT STEPS THAT ARE EASILY ACCOMPLISHED BY UNDER-STAFFED ORGANIZATIONS OPERATING WITHIN A SOCIAL CHANGE FRAMEWORK.

COME WITH YOUR QUESTIONS, YOUR IDEAS AND YOUR CONCERNS. BUT MOST OF ALL, COME PREPARED TO FIND SOLUTIONS TO TAKE YOUR ORGANIZATION'S LEADERSHIP PARTNERSHIP TO THE NEXT LEVEL!

Cause Effective has 30 years of experience helping community-based nonprofits to envision, build and nurture the boards they need. The result: our clients build their capacity to sustain themselves and further their social justice missions.
