North Star Fund seeks Full-Time Development Associate

North Star Fund is a social justice fund that supports grassroots organizing led by communities of color building power in New York City and the Hudson Valley. We envision a world in which resources and power are equitably shared, and a future where everyone can thrive and live with dignity.

The crises that befell our nation in early 2020 moved North Star Fund to radically increase its grantmaking and fundraising in order to more fully support social justice movements.

We seek a full-time Development Associate to join the development team in achieving our ambitious goals now and in the future. Our ideal candidate is organized, shares our commitment to social justice and grassroots organizing, and has experience with database management and fundraising campaigns. They are an excellent communicator and project manager and can present fresh approaches towards fundraising operations, logistics and communications.

This position is full-time. The Development Associate reports to the Development Manager, works within the development team and regularly partners with the finance team. The Development Associate will work remotely until the anticipated re-opening of North Star Fund’s office in March of 2021. After that date, the Development Associate is expected to work in the office a minimum of four days a week.
Duties include:

*Development Operations*

- Prepare, process and make deposits of all donations and distribute weekly donations reports
